Dear Brett,

On behalf of Wicked Fashions, Inc., I would like to thank you for your continued dedication and level of service you've provided us over the many years. I'd hate to imagine what the MAGIC tradeshows would be like if you weren't always there for us. We are thoroughly impressed by your superb level of service and professionalism. Your meticulous attention to cover all angles and details is invaluable.

Exhibit & Display Consultants gives us the peace of mind we desperately need when it comes to tradeshow planning and implementation. My sales representatives and merchandising team are able to concentrate on selling instead of booth setup. It's always a pleasure working with Exhibit & Display Consultants and we plan on utilizing your services whenever possible.

I have recommended Exhibit & Display Consultants to many of our colleagues in the fashion industry and will continue to do so.

Best Regards,
